Ref.: Poole Town Lake Park Regatta 10th June 2006

Please find the attached poster and invitation to our Regatta in June; we hope to see many of your club members and teams entering the races. This year will once again include all new events.

Please note my address above for all correspondence

- Entries need to be lodged with me by: **28th May 2006**
- Draw will be held at our club 30th May 2006 (see attached poster).

Free parking is available for mini buses with trailers only at the Park, other local parking is available either on side roads or car parks.

The Emergency contact number on the day will be in the Programme

A copy of certain Regatta documentation maybe found on our website

<http://www.poolerowingclub.org.uk/>

Please note that whilst my wife (Jill) will be helping to collate the information, I will be out of the country working and will access my email each day. Therefore call my home number first, as my mobile will incur international 'divert' charges – thanks. It would help greatly if you could email me with your name, club and email address (home or work), plus any contact numbers you wish to use. This will improve communications and any advanced information required. I will also put a copy of the Regatta poster on the website for those in need.

One final request, as we have to include the names of rowing crews in the programme, an entry form (electronic copy) would also be appreciated to assist in reducing the amount of typing for the programme!

Should you have any further queries relating to this event, please do not hesitate to contact myself on the number below.

Many thanks in advance.

Yours faithfully,

Brian Wells
