Dear Club Captain or Secretary

Ref.: Poole Town Lake Park Regatta 9th June 2007

Please find the attached poster and invitation to our Regatta in June; we hope to see many of your club members and teams entering the races. This year will once again include all new events.

Please note my above address for all correspondence

- Entries need to be lodged with me by: **28th May 2007**
- The Draw will be held at our club 30th May 2007 (see attached poster).

This year's course will be completely different to our historic events. Poole Park Management has deepened the lake in certain areas and moved the soil into newly created islands. We now have; a new course, starting line, boat launching area, new storage areas, and different parking arrangements.

Please view the programme plan which shows all the necessary detail which you will receive prior to the Regatta date. If you need this posting to a different address please inform me by May 28th.

Although we had no input into the new design of the lake, we believe we should actually have better facilities and viewing areas. For families there is now an ice skating rink nearby to keep the children occupied!

Only authorised vehicles and trailers are eligible for free parking in the designated area; other local parking is available either on side roads or in public car parks. Please note under no circumstances can any vehicle park on the grassed areas.

The Emergency contact number on the day will be in the Programme.

A copy of certain Regatta documentation may be found on our website <http://www.poolerowingclub.org.uk/>

Please note that whilst my wife (Jill) will be helping to collate the information, I will be out of the country working and will access my emails each day. Therefore please call my home number first, as my mobile will incur international 'divert' charges – thanks. It would help greatly if you could additionally email me with your name, club and email address (home or work), plus any contact numbers you wish to use. This will improve communications and any advanced information required. I will also put a copy of the Regatta poster on the website for those in need.

One final request, please provide an additional entry form (electronic copy to my email address) as we have to include the names of rowing crews in the programme. This will assist in reducing the amount of typing for the programme! In addition, it will ensure we spell the names of crews correctly.

Should you have any further queries relating to this event, please do not hesitate to contact myself on the number below.

Many thanks in advance.

Yours faithfully,

Brian Wells
