29 February 2008

Club Captain/ Secretary

Ref.: Poole Town Lake Park Regatta 14th June 2008

Please find the attached poster and invitation to our Regatta in June; we hope to see many of your club members and teams entering the races.

Please note my above address for all correspondence

- Entries need to be lodged with me by: **31st May 2008,**
all entries after this date will be classed as late entries.
- The Draw will be held at our club 2nd June 2008 (see attached poster).

Please view the Regatta programme plan which shows all the necessary detail which you will receive prior to the Regatta date. If you need this posting to a different address please inform me well in advance to allow for any postal delays.

For families there is now an ice skating rink nearby to keep the children occupied!

In compliance with Poole Leisure Services Park rules of use, only authorised vehicles and trailers are eligible for free parking in the designated area; other local parking is available either on side roads or in public long term car parks. Please note under no circumstances can any vehicle park on the non designated grassed areas. This is because some grassed areas are in 'soft soil' areas of the Park and significant damage results when used by vehicles. If clubs park outside the designated areas they will be liable for all repair costs. As other parking within the Park is short term we advise all clubs to use the long term parking areas shown within the programme. These are within a few minutes walk of the Regatta. Thank you in advance for your co operation.

The Emergency contact number on the day will be in the Programme.

A copy of certain Regatta documentation may be found on our website <http://www.poolerowingclub.org.uk/>

It would help greatly if you could additionally email me with your name, club and email address (home or work), plus any contact numbers you wish to use. This will improve communications and any advanced information required. I will also put a copy of the Regatta poster on the website for those in need.

One final request, please provide an **additional entry form** (electronic copy to my email address) to reduce the amount of work in retyping club entries in to the programme. In addition, it will ensure we spell the names of individuals and crews correctly.

Should you have any further queries relating to this event, please do not hesitate to contact myself on the number below.

Many thanks in advance.

Yours faithfully,

Ann Jacobs
